Beliefs

Level F.F is a multi-faceted profession in which creative and technical solutions are both applied within an architectural structure to achieve an environment that is functional, and has an influence on the quality of life and culture of the occupants as well as being aesthetically pleasing.

Level offers full Architecture and interior design services and uses an abundant library of amazing design products and finishes to fulfill any concept idea.

Our Approach

Level F.F offers extensive capabilities and strategic partnership, employing a unique principal-in-charge approach for high-level oversight.

We provide cross-divisional assistance to ensure functional, cost-effective, and successful projects, emphasizing total client commitment from planning to construction.

Level can uniquely be a total service provider to our clients as a one-stop consultancy or standalone provider of specialized consulting services in:

Architectural Design | Interior Design | Visualization | Urban Design | Engineering | Contracting

Our Mission

"Our mission is to deliver professional and sustainable design and construction solutions, customized to meet each client's needs, ensuring cost-effectiveness and timely delivery."

Our Vision

Level F.F aims to set the standard for architecture practice, not just by what we say, but by what we do. We aim to set a new standard for employee engagement and strategy execution by helping staff understand their company vision and roadmap for greatness, empowering every employee to make the right decisions and contribute to the critical path.

Architecture Design & Construction

RAYAN VILLA

Type :Residential Villa

Style: Modern

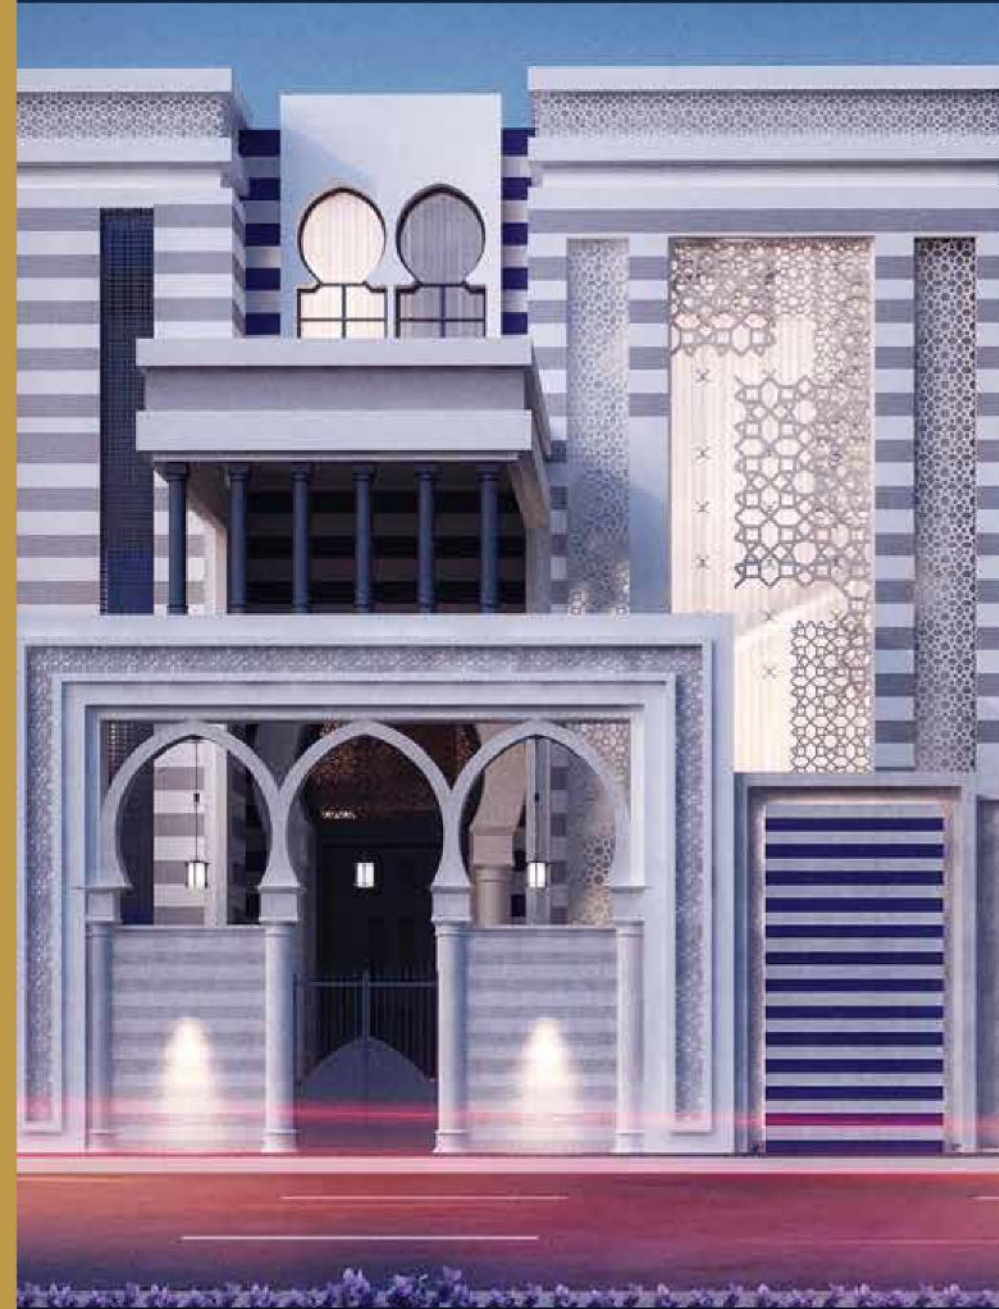

Year :2020

Location Jazan-KSA

529 sqm

This contemporary L-shaped villa in Jazan is a harmonious blend of modern architecture and local influences, designed to maximize comfort and functionality. Its sleek, minimalist lines are accentuated by large, floor-to-ceiling windows that allow natural light to flood the interior, creating a seamless connection between the indoor and outdoor spaces. The open-plan layout embraces modern living, with spacious living areas that flow effortlessly into a stunning central courtyard, perfect for relaxation or entertaining.

MAKI VILLA

Type :Residential Villa

Style: Modern

Year :2022

Location Jazan-KSA

Designed with the unique climate of Jazan in mind, the villa integrates sustainable materials and energy-efficient features to ensure comfort year-round. The L-shape design not only offers privacy and shelter from the elements but also maximizes the use of the land, providing unobstructed views of the surrounding landscape. The combination of neutral tones, natural stone, and lush greenery creates a tranquil, sophisticated retreat that embodies the essence of luxury living in Jazan.
